

2011 Barossa Vintage Festival

Barossa Young Ambassador Event “Dine with the Dozen”

Each Barossa Vintage Festival twelve young adults aged 18 to 25 with a strong passion for the Barossa region, are handpicked to actively participate in hosting and promoting the Barossa and the Barossa Vintage Festival.

Through the Young Ambassador Program the Young Ambassadors, affectionately known as the ‘Barossa Dozen’ are given the opportunity to develop leadership and interpersonal skills by undertaking an extensive training program. This training incorporates the Barossa’s rich food and wine culture and event planning.

The enthusiastic Barossa Dozen invite you to “Dine with the Dozen” an event planned by the Young Ambassadors to showcase the skills they have acquired through their training. Enjoy a culinary experience prepared by local lad and Masterchef finalist Callum Hann together with local chef Stuart Oldfield (Hand Made Catering), creating a three course spread using the Barossa’s finest produce.

The event ‘Dine with the Dozen’ is a fundraising lunch to raise money for Barossa youth. Proceeds will be donated to Yambala Performing Arts Youth Group and the Barossa’s Young Ambassador Program.

The effort of the 12 young leaders does not end with this event, they will be extremely busy during the Barossa Vintage Festival, volunteering their time at numerous events throughout the festival, including the Rare and Distinguished Wine Auction, Legends Behind the Barrel, and the Grand Vintage Ball (where the chosen Ambassador will be announced). The Ambassadors also showed their support by marching in this years Declaration of the Vintage Parade on Sunday February 20.
